TIP OF THE DAY

During recent National Night Out Kickoff event, Detective Jesse McCauley – plus 5 other officers, were there to talk about safety and security as well as current scams. There was a Q&A session after their presentation to discuss issues of concern to Lincoln Hills. To learn more, download their (Lincoln PD's) informational flyer [here](#).

POWER TOOL THEFT

On Thursday 08/22/24 at 9:00 AM a handyman working on a residence in the 2300 block of Granite Ln set one of his power tools down next to his vehicle, parked in the resident's driveway, while he carried materials into the residence. At this point the below described vehicle and suspects pulled up to the curb, the male passenger got out, grabbed the power tool, put it in the suspect vehicle and they drove off. This incident was witnessed by a neighbor across the street. No police report made at this time. (V21 backs to open space on all sides, entrance is Hidden Hills Ln off Stoneridge Blvd)

SUSPECTS

White male and female, both appear to be "older" possibly in their 60's. Both described as "scruffy looking."

SUSPECT VEHICLE

Dark color, "old beat-up" condition. No further description.

We live in a relatively safe community, however from time to time there are opportunist thieves who drive through our villages looking for easy targets i.e. doors left open or unlocked, valuables left in plain view in vehicles.

The police cannot be everywhere; residents need to be alert and report any suspicious persons or vehicles. This is the mission of **Neighborhood Watch: Observe and Report** – call IMMEDIATELY to give police time to arrive. *If it's an emergency call 911, non-emergency call 916 645-4040.*

When describing vehicles, note license plate numbers, make and model of vehicle, color, age and direction of travel and give it to the dispatcher when you call.
