ONGOING JEWELRY THEFTS

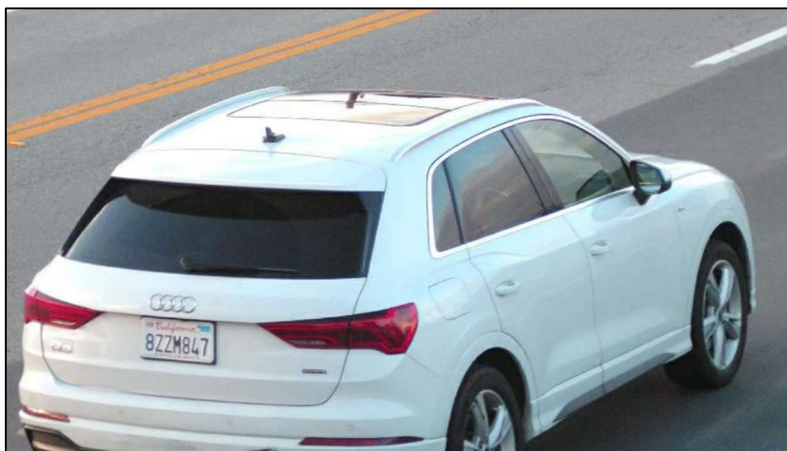

The Lincoln Police Department is investigating ongoing jewelry thefts targeting senior citizens in the Sun City neighborhood. Between July 2023 and March 2024, multiple jewelry thefts have occurred in Lincoln, primarily in the Sun City community and nearby shopping centers. The suspects are described as a Middle Eastern male in his 40s, heavy set, tall, dark hair, wearing black-rimmed glasses, and a Middle Eastern female, between 30 to 40 years old, 5'2 to 5'5, wearing a hijab. Suspects approach victims in a vehicle, asking for directions. The male is the driver, and the female is the passenger. After asking for directions, the female suspect will approach the victims on foot, tell the victims it is her birthday, and have the victims try on costume jewelry in an attempt to steal the victims' jewelry. The victims targeted are female and male adults in their late 60s and older.
