SUN CITY LINCOLN HILLS NEIGHBORHOOD WATCH
WELCOME TO THE NEIGHBORHOOD
SCLHWATCH.ORG

Our MISSION

- * Strengthen Neighborhood Ties
- * Increase Personal Safety & Security Awareness
- * Be the “Eyes and Ears” of Lincoln Police & Fire Department
- * Encourage Emergency Preparedness.

Neighborhood Watch (NW) is one of the oldest and most effective crime prevention programs in the country, bringing citizens together with local law enforcement to make our community safer. Neighborhood Watch volunteers organize to prevent crime in our neighborhoods, through increased awareness and participation in personal safety & security and strengthening neighborhood ties by getting to know their neighbors. Sun City Lincoln Hills (SCLH) is divided by villages. Each village has numbered mailbox stations. Neighborhood Watch Volunteers serve as **Mailbox Captains** assigned a mail station in their neighborhood, **Coordinators** are assigned a village and **Directors** are assigned a specific group of villages.

Your Mailbox Captain, _____ lives at _____

In Village _____ Mail Station _____ and can be reached by phone _____

or email _____

To learn more about Neighborhood Watch please contact your Mailbox Captain & visit our website at SCLHWatch.org.

Note – for those who live in Village 44 (Villas) please contact your Mailbox Captain for additional information

911
All Cell phone and landline calls made within Lincoln city limits will go directly to the Lincoln Police and fire Departments. For non-emergency calls use 916.645.4040.

ALERTS

Alerts are “FYI” or public safety informational emails based on incidents within Sun City Lincoln Hills and police reports that impact our community. Although each resident is encouraged to sign-up to receive their own Alerts, Mailbox Captains will forward Alerts to their residents. To sign-up for Alerts, go to sclhwatch.org and click *Add me to Alerts*. An email message will appear - just click Send; no message necessary. Your email address will be added to the Alerts list. You can also contact the Alert Team directly at Alerteditor@sclhwatch.org

INCIDENTS

Neighborhood Watch encourages residents to be the eyes and ears of the Lincoln Police and Fire Department. If you “see something, say something” – to report incidents visit the SCLHWatch.org homepage and click **“REPORT AN INCIDENT”**.

VIAL OF LIFE

This program encourages individuals to have their complete medical information readily available for EMS to reference during an emergency. Your Mailbox Captain will provide you with a Vial of Life “kit” and instructions on how to complete the Vial of Life forms. In an emergency EMS will expect to find your Vial of Life information on the top shelf of your refrigerator door. Instructions can be downloaded here SCLHWatch.org/documents

WELCOME

Resident participation is a vital part of achieving our goals of strengthening neighborhood ties, increasing personal safety and security awareness, and encouraging emergency preparedness. Please complete the attached **Neighborhood Watch Registration Form** and return it to your Mailbox Captain.

WELCOME TO THE NEIGHBORHOOD – WE ARE GLAD YOU ARE HERE!

NEW RESIDENT REGISTRATION FORM

SCLHWATCH.ORG

PLEASE COMPLETE THIS FORM AND RETURN TO THE MAILBOX CAPTAIN LISTED BELOW

Neighborhood Watch welcomes you to the neighborhood. Your mailbox Captain asks all new residents to provide their phone number (cell *and* landline if you have one), address, email address, and the names of the people in your household – including your pets. This information allows your Mailbox Captain to contact you when necessary. Sometimes contact is made for something as simple as letting you know a sprinkler is broken or a reminder that your garage door is open at night. We are simply *Neighborhoods Helping Neighbors*. Rest assured your information is always kept confidential and will never be shared outside of Neighborhood Watch.

DID YOU KNOW—YOUR PHONE COULD BE YOUR MOBILE VIAL OF LIFE ?!

Mobile Vial of Life

QUICK TIPS v

To view
Emergency
Information:

iPhone:

From the lock
screen, tap
"Emergency"
bottom left, and
then "Medical ID"

Android:

From the locked
screen, swipe up.
Select
"Emergency."
Then select
"Emergency
Information."

Neighborhood Watch encourages all residents to complete a Vial of LIFE (Lifesaving Information For Emergencies) for First Responders to your home. However, how would you communicate your medical information and emergency contacts when out and about?

YOUR MOBILE PHONE, EVEN WHEN LOCKED, COULD BE YOUR LIFELINE.

Whether you have an Android or an iPhone, settings can allow the sharing of your medical and emergency contacts information visible on your locked phone.

WHEN OUT & ABOUT how can others view your vital information in case of an emergency? Your Allergies? Medications? Current health issues? Emergency contacts? Pet information?

FIRST: Enter your medical ID information and set up your ICE "in case of emergency" contacts according to your phone's user guide.

SECOND: Learn how to view emergency information on any locked phone.

Both iPhone and Android phones have dedicated settings for displaying this vital information. If your phone does not have this option, add "ICE" in front of a contact's name, i.e. "ICE – Son" before your Son's name. This entry allows emergency responders or hospital staff to quickly call your ICE contact *and* provide them with the contact's relationship to you.

For more complete information and/or detailed instructions, review your phones *User Guide*, contact your service provider, or visit [SCLHWATCH.Org/security/safety flyers](https://www.sclhwatc.org/security/safety-flyers).

ALERTS

SCAMS – You think it’s never going to happen to you – until it does.

RED FLAGS FOR PHONE AND EMAIL SCAMS

- Urgent or threatening language or a greeting that is too friendly
- Requests for personal information
- Requests to have access to your computer
- Link to a site that seems unrelated to the organization that contacted you
- Missing contact information in an email
- Payment via GIFT CARDS

STRATEGIES

- Call your **grandchildren** and establish a CODE WORD to verify identity
- GIFT CARDS: As soon as you hear these words, **HANG UP**.
- DO NOT BE POLITE. BE SMART. Hang up when you are unsure.
- DO NOT be pressured by urgent requests. **HANG UP**.
- CHECK CALLER ID: do NOT answer if you do not recognize the caller; legitimate callers will leave a message.
- EMAIL: Do not click on links from financial institutions. Call or go directly to the website and check there.
- DO NOT ALLOW ACCESS TO YOUR COMPUTER. **HANG UP**.
- Use the phone number from your bill or on your credit card if you need to contact a financial institution or vendor. If it’s a website, go directly to the website to find the number. DO NOT SEARCH (AKA Google) FOR THE NUMBER ONLINE.

SAFETY AND HOME SECURITY TIPS

YOUR CAR

- Always lock your car when you leave it outdoors.
- Park in a well-lit area and be aware of your surroundings before you leave.
- **Keep packages or anything else out of sight and put in the trunk** to avoid attracting an opportunist burglar.
- Consider asking for a security escort when returning to your car.
- Never leave your home address in your navigation system (GPS). Instead use 1500 Del Webb Blvd. Keep your GPS out of sight . . . less temptation to break in.
- Keep the registration and insurance copies in your wallet or locked in the glove compartment.
- Keep the garage door remote out of sight or locked in the glove compartment.
- Many newer cars have a built-in system that allows you to program your garage's code into it. Neighbors InDeed can help you program the code using your car manual.
- Consider buying a mini-remote for your car key ring. Neighbors InDeed can help program it by using remote's manual.
- Consider driving with headlights on so you may be seen by others and use turn signals when you turn or change lanes.

YOUR GARAGE AND SIDE GARAGE DOOR

- Do not keep garage door fully or partially open. Open-door garage alarms are available from hardware stores.
- Keep the house entry door locked day and night whether you are home or not.
- Consider installing a peephole in the entry door from the house into the garage.
- Consider installing a motion sensor for the lights in the garage.
- Consider unscrewing garage door opener light since car lights stay on for a minute or two. Garage door light may be a signal to burglar that a vehicle just came or left.
- Keep side garage door and interior garage door locked day and night whether you are home or not.
- Consider installing a removable 2X4 bar held with heavy-duty brackets across the door.
- Consider installing a security screen door for garage ventilation; it provides an additional layer of security.

YOUR HOUSE

- Put your car keys beside your bed at night. If you hear a noise outside your home or someone trying to get in your house, just press the panic button for your car. The alarm will be set off, and the horn will continue to sound until either you turn it off or the car battery dies.
- Keep your outdoor lights on all night (use CFL or LED bulbs). Light sensors are available to automatically turn on lights at dusk (no tools). Timers are available at Lowe's and Home Depot but they do have to be hard-wired.
- Consider installing motion sensor lights near exterior doors. Install at difficult to reach locations so they cannot be easily disabled.
- Consider finding other locations to hide your valuables other than the master bedroom and bathroom.
- Consider installing a PVC pipe or wood dowel in your slider door and window tracks to prevent opening. (No tools required . . . ask hardware store to cut to size for you.) Neighbors InDeed will measure these lengths for you. Don't use any device that requires tools to remove . . . in case of emergency, you don't want your exits blocked!
- Consider installing screw-on slider window locks to prevent opening. (No tools required.)
- If ventilation is desired, leave windows or sliding doors no more than 4 inches open and install PVC pipes, wood dowels or slider locks to prevent opening further.
- Consider purchasing a sign. "Keep gate closed so dog does not escape."
- Review your home from afar. Are there places for a burglar to hide? Keep your bushes and other vegetation trimmed.

WHEN AWAY FROM HOME

- Keep windows covered to prevent window-shopping.
- Put lights and a radio or TV on timers. Make sure your home looks and sounds occupied.
- Consider installing a monitored alarm system, possibly with an outdoor siren.
- Obtain a LPD Vacation Home Check Request form from the Lincoln Police Department, MailBox Captain or at www.SCLHWatch.org under *Security*, then *Safety Flyers*.
- Notify neighbors and MailBox Captain when leaving for any extended period and stop newspaper delivery.
- See our Tips for a Worry-Free Vacation checklist brochure on our NW website at www.SCLHWatch.org under *Security*, then *Safety Flyers*.

HOME SAFETY FIRE PREVENTION CHECKLIST

SCLHWATCH.ORG

COOKING SAFETY

- Keep cooking area free from items that can catch fire
- Do not keep pots and pans unattended on the stove; turn handles away from front of stove
- Double check to make sure your burners are off on your gas stove

ELECTRICAL & APPLIANCE SAFETY

- Do not run electrical cords under rugs
- Maintain electric and gas stoves in good operating condition
- Check if electrical cords are frayed or cracked
- Use only circuit-protected, multi-prong adapters for additional outlets.
- Check that large and small appliances are plugged directly into wall outlets; off if not used
- Clean clothes dryer lint filter and venting system

CANDLE SAFETY

- Use only sturdy fire-proof containers that won't tip over for candles
- Make sure that candles are extinguished before going to bed or leaving the room
- Do not leave grandchildren or pets unattended with candles burning

CARBON MONOXIDE ALARMS

- Install mandatory Carbon Monoxide Alarms on every level of your home
- Recommend replacing Carbon Monoxide alarms **after seven years**

FLAMMABLES IN THE GARAGE AND OUTSIDE

- Avoid storing combustible materials like paint cans near a water heater, car or garbage can.
- Remove leaves and needles from roof and gutters; cut back overhanging tree branches

SMOKE ALARMS

- Test and clean smoke alarms monthly
- Check and replace batteries annually
- Consider replacing smoke alarms **after ten years**
- Do not modify the garage door entry into your house as this is a fire rated door

FIRE EXTINGUISHERS

- Equip your home with a multi-purpose fire extinguisher (those labeled "B-C" or "A-B-C") a five-pound size or greater. Fire extinguishers need service or replacement after any use, and, if equipped with an indicator, when the indicator needle is outside of the green/normal (charged) range. Dry chemical fire extinguishers should be shaken once a month to keep the powder from settling (check manufacturers recommendations). Extinguishers should be placed in a central location. Often at or near an interior door leading to a garage is a good space and a second fire extinguisher possibly in close proximity to your kitchen stove. The Fire Department does not service fire extinguishers.

ESCAPE PLAN

- Know to crawl low to the floor when escaping to avoid toxic smoke
- Once you're out, **STAY OUT**
- Know where to meet after escape
- Meeting place should be near the front of your home, so firefighters know you are out
- Make sure every household member is familiar the plan

A Message From Your Lincoln Police Department

Have you been visited by a door-to-door salesperson recently?

We'd like to remind citizens that it's often difficult to determine if someone is legitimately representing a real business or charity, even if he/she provides documentation. We urge our community members to exercise caution, and follow these safety tips when encountering solicitors:

- Always look through the peephole, window or home security camera to see who is at your door.
- If you don't feel comfortable answering the door, then don't. Inform the individual you are not interested through your door.
- Always ask for documentation and identification, including their City Solicitor's Business License.

BICYCLE REGISTRATION

QUICK NOTES:

MAKE: _____

MODEL: _____

SERIAL #: _____

PARTNERED WITH

How can this help?

By protecting your investment. Do you know your cell phone serial number or vehicle license plate number in the event either had been stolen?

Typically not.

Lincoln PD has partnered with Bike Index, a non-profit organization, who will store your bicycle's data and specifications. The service is free of charge and there is no need to make an account or sign up. You simply enter your bicycle data, step by step. Including a photo of your bicycle is optional, but **highly recommended** in case a serial number is ground off or altered. Your contact information can also be stored for Police Department or public contact. Registering your bicycle allows us to work together in recovering your property, in the event a bicycle is recovered, suspected as stolen, found, lost, and even if you are not yet aware.

(Parents, great way to track down those bikes)

If you opt to create a full Bike Index account, you can enter multiple bicycles within your profile, mark them stolen, transfer ownership, and share links to social media in the unfortunate event a theft occurred.

This is a tool for the community.

-Lincoln Police Department

Scan QR Code Below

Once Scanned

You will be prompted to register your bicycle or you can choose to register a stolen bicycle. Once the data is entered, you should receive an email confirmation from Bike Index. From the email confirmation, you can choose to create a full account if needed and register more bicycles under your account profile.

LINCOLN POLICE DEPARTMENT CAMERA/LOCKBOX REGISTRATION PROGRAM

LINCOLN POLICE DEPARTMENT
770 7TH STREET, LINCOLN, CA 95648 | (916) 645-4040

THIS INFORMATION IS PROVIDED BY SUN CITY LINCOLN HILLS NEIGHBORHOOD WATCH IN COOPERATION WITH THE LINCOLN POLICE DEPARTMENT

CAMERA REGISTRATION

The Lincoln Police Department (LPD) has implemented a camera/lockbox registration program. The program encourages residents and business owners to register their security cameras with the Lincoln Police Department. This allows law enforcement to locate cameras in the area surrounding a crime scene and contact the camera owners. *Registration in this program is voluntary and there is no cost associated with registration.* Registering your information *does not* provide the Lincoln Police Department with direct access to your security system camera. You may remove or make changes to your registration at any time by emailing us at registry@lincolnca.gov. You will only be contacted by the Lincoln Police Department in the future if there is a criminal incident in the vicinity of your security camera. Police personnel, if necessary, may request a copy of any video captured by your camera, which may assist in the investigation of a crime.

The Lincoln Police Department does not make recommendations on the brands, type, or vendors of camera systems. Information may be obtained from Neighborhood Watch groups or online resources.

Terms of Use: The goal of the program is to both deter and solve crime while ensuring public safety. This will be accomplished collaboratively between the Lincoln Police Department and the community we serve. Accordingly, all registrants agree to the following terms and conditions:

- Your participation in this program is voluntary and you can discontinue your participation at any time by emailing us at registry@lincolnca.gov.
- You are not acting as an agent and/or employee of the City of Lincoln and/or the Lincoln Police Department.
- You maintain your own security system camera at your own expense.
- The Lincoln Police Department does not maintain or have access to your security system camera.
- You are not obligated to keep your security system on at all times or to repair malfunctions.
- If a criminal incident occurs in the vicinity of your security camera, the Lincoln Police Department may contact you to review your video footage to see if your security camera provides any information regarding the criminal incident.
- If there is information relevant to the criminal incident on the security camera system, the Lincoln Police Department will request a copy of the relevant information.
- By participating in the program, you are indicating a willingness to voluntarily share the relevant video footage.
- You are not obligated to voluntarily provide relevant video footage.

PUBLIC SAFETY LOCK BOX REGISTRATION

Residents often install lock boxes on their property that contain a key to their home. The key is for public safety use in the event of an emergency. Having a key available for public safety emergency use expedites access into the residence will minimize damage to the property. **Terms of Use:** All registrants agree to the following terms and conditions:

- Your participation in this program is voluntary and you can discontinue your participation at any time by emailing us at registry@lincolnca.gov.
- Entry into a residence by public safety personnel shall only occur when lawful circumstances exist (e.g. emergency or exigent circumstances).
- Information pertaining to your lockbox, contents, and combination are private. The Lincoln Police Department will not share or disclose this information unless required by law.
- Registering with this program does not imply consent for entry.

By submitting this information, I understand and agree to the above policy and terms of use.

Note: prior to camera installation, Sun City Lincoln Hills Residents should review [Design Guidelines](#), [ARC Standards 10.22](#)

Vial of LIFE – Lifesaving Information For Emergencies

www.sclhWatch.org

WHAT IS THE VIAL OF LIFE PROGRAM?

The Vial of Life is an Medical history Information document that provides crucial personal and medical history in case of an emergency. The documents provide paramedics and firefighters with crucial personal and medical information that will speak for you if you are unable to communicate or you do not have a representative in the event of an emergency.

HOW DO I USE THE VIAL OF LIFE?

There are five easy steps to using the Vial of Life.

1. Although the **Emergency Medical Information Form** is part of the **Neighborhood Watch Welcome Packet**, a current copy can be downloaded **HERE** – be sure to *save to your computer*.
2. Fill out the information completely; make sure it is current and legible.
3. Fold the completed information form and place it in a plastic baggie. (If you have a “Do Not Resuscitate” (DNR) form, be sure to attach a copy.)
4. Although a Vial of Life sticker may be placed on your front door, medical personnel will automatically look in the refrigerator door for your Vial of Life information.
5. Place the baggie containing your medical information on the top shelf of your refrigerator door.

NOTE:

The Vial of Life will only work if the information is accurate, complete, and updated as changes occur.

Vial of Life ... will speak FOR you when you are unable to speak

What information should be in the Vial of life?

First Responders will look for the Vial of Life on the top shelf of the refrigerator door and ask;

- * Do you have any medical conditions?
- * Are you taking any medications or supplements?
- * Do you have any allergies?
- * Which hospital should they take you to?
- * Who should they contact?
- * What is your doctor's name and phone number?
- * Who is your insurance contact?
- * If you have pets - who will care for them?

In stressful situations common things may be difficult to remember, so please plan ahead and complete your Vial of Life form today - It only takes a few minutes and could save precious time in an emergency.
