Mail Station Break-ins:

In the month of February, there have been reports of **THREE cluster mailboxes** entered and mail stolen.

- **TWO** boxes were located on **Branding Iron Ln** near **Stockman and Rustic Ranch**, off Sun City Blvd, **Village 5A/B**.
- **ONE** on **Cherry Blossom Ln**, also off Sun City Blvd, **Village 10A**. Entry was sometime during the **late night or early morning** hours. Apparently, some person(s) unknown was able to enter these boxes without using force, possibly using a key of some sort.

There is also, an unconfirmed report from a resident, that the perpetrator(s) have been apprehended. We will report any further information once we receive some type of confirmation.

As we have previously reported, these "Cluster Mailboxes" are not secure. NEVER leave your incoming or outgoing mail in these mailboxes overnight.
