www.sclhWatch.org

WHAT IS THE VIAL OF LIFE PROGRAM?

The Vial of Life is an Medical history Information document that provides crucial personal and medical history in case of an emergency. The documents provide paramedics and firefighters with crucial personal and medical information that will speak for you if you are unable to communicate or you do not have a representative in the event of an emergency.

HOW DO I USE THE VIAL OF LIFE?

There are five easy steps to using the Vial of Life.

1. Although the **Emergency Medical Information Form** is part of the **Neighborhood Watch Welcome Packet**, a current copy can be downloaded **HERE** – be sure to *save to your computer*.
2. Fill out the information completely; make sure it is current and legible.
3. Fold the completed information form and place it in a plastic baggie. (If you have a “Do Not Resuscitate” (DNR) form, be sure to attach a copy.)
4. Although a Vial of Life sticker may be placed on your front door, medical personnel will automatically look in the refrigerator door for your Vial of Life information.
5. Place the baggie containing your medical information on the top shelf of your refrigerator door.

NOTE:

The Vial of Life will only work if the information is accurate, complete, and updated as changes occur.

Vial of Life ... will speak FOR you when you are unable to speak
