

NEIGHBORHOODWATCH LOST PET ALERTS PROGRAM

If you have a lost or found pet, please contact one of our Neighborhood Watch Lost Pet Alerts Team Members as soon as possible:

Mary Shelton, Coordinator **916 409-9923 - Microchip Reader**
Teresa Tanin **530 400-8526 - Microchip Reader**

To ensure accurate alert information is distributed to the community, please be prepared to provide the following direct, message or text:

- Your name, or contact name & phone number
- Street & nearest cross street pet is located
- A current photo of the pet
- Description – breed, color, male/female, collar/tags microchip?

It is very important that new residents update their pet's microchip information. Please contact your pet's chip company to update your new address so that your pet can be reunited faster if lost. If you do not know your chip company, call your vet, or contact a Team Member above for Microchip Reader service.

Lost or Found Pet? What to do!

Keeping Your Pets Safe— Neighborhood Watch Can Help!

Teresa Tanin, Neighborhood Watch

Our pets are a very large part of our lives in Lincoln Hills. We care for them as we would our children. If you have ever lost your pet, you know the terrible feeling of panic—what do you do?

Neighborhood Watch (“NW”) offers special services to our residents

—Lost/Found Pet Alerts and microchip scanning. The Neighborhood Watch Pet Alert Team strives to reunite primarily lost or found dogs with their owners, however, we also do our best to reunite cats, turtles, and even birds.

The most important thing you can

do when you move to Lincoln Hills is contact your microchip company through your vet or from the list provided. Please keep this information handy, just in case—don't panic, call an NW Lost Pet Alert Team member. Information is also provided on the NW website sclhwatch.org.
