

# FOR YOUR INFORMATION

Neighborhood Watch is sharing this information as a reminder of the upcoming **Free Medication Take-Back event**, a valuable opportunity for our community.

This event, hosted at the **Lincoln Police Department**, (770 7th Street, near the corner of 7th Street and H Street) on **October 26th, 2024, between 10am -2 pm**, allows citizens to drive up and drop off any unwanted/expired medications, from over-the-counter drugs to prescribed medications. **The process is fast, easy, and anonymous, providing a safe and responsible way to dispose of medications.**

The following links are in addition to the **Lincoln PD flyer** posted on our NW website/current Alerts, and explains more about the event: location/time/what is included and what is not.

**1st link** will redirect you to the **Placer-Nevada RX Drug Safety Coalition**. Which covers the *newly promoted Free Sharps and Lancets mail-back options*. **Free Medication mail-back options and free year-round drop-off locations.**

<https://www.scmfoundation.org/programs/rx-drug-safety>

**2nd link** will redirect you to the year-around video explaining why it's important to discard unwanted medications and the process for discarding them accordingly.

<https://vimeo.com/935624703/1dcfbb2aaa?share=copy>

The Lincoln Police Department looks forward to your participation in this important initiative. Your involvement can make a significant difference. *In April of 2024, the Lincoln Police Department, with the help of the public, had a total of 218 cars attend the event and collected a total of 642 pounds of medications. Let's aim even higher this time!*

If you have any questions, please feel free to message Sergeant Jesse McCauley - via email or reach out to [211Placer!](#)

Respectfully-

Sergeant Jesse McCauley #10
