CHAPTER 1 – WELCOME TO NEIGHBORHOOD WATCH

MISSION STATEMENT

The mission of Neighborhood Watch shall be to strengthen neighborhood ties, increase personal safety and security awareness, be the eyes and ears of the Lincoln Police and Fire Departments, and encourage emergency preparedness.

WELCOME

We are pleased you have chosen to volunteer with Neighborhood Watch. Volunteers are a vital part of achieving our goals of strengthening neighborhood ties, increasing personal safety and security awareness, being the eyes and ears of the Lincoln Police and Fire Departments, and encouraging emergency preparedness.

HISTORY

In May 2000, a small group of residents met to establish a Lincoln Hills Neighborhood Watch Program. This highly effective program, in cooperation with local law enforcement, effectively reduced crime and increased security of residents. During the summer of 2000, a committee of nine residents began to organize watch-teams based on mailbox locations. By the end of July 2000, 123 teams had been formed. Neighborhood Watch continues to operate today, covering 6783 homes.

The original committee of nine has grown to over 650 volunteers who continue to work on behalf of our community as Mailbox Captains, Village Coordinators, Directors, and Support Groups. Due to improvements in technology, Neighborhood Watch is now on a path of advancement and looks forward to implementing new training strategies and strengthening neighborhood ties by utilizing web-based communications. Welcome to Neighborhood Watch 2020 and Beyond.

NW continues to grow and became a 501c(3) charity organization effective May 14, 2024.

Thank you for your interest in volunteering with Neighborhood Watch – we are glad you're here.

NEIGHBORS HELPING NEIGHBORS

Neighborhood Watch assigns a Mailbox Captain to each mailbox station. Mailbox Captains greet new residents with a Welcome Packet which includes information on safety and security and a Vial of Life kit that contains two Vial of Life forms. The Mailbox Captain maintains confidential emergency contact information for each resident who wishes to participate.

Neighborhood Watch encourages residents to be the eyes and ears of the Lincoln Police and Fire Department. If you “see something, say something” go to the NW Website visiting sclhwatch.org and click on “Report an Incident” and submit a report.

Each resident is encouraged to sign up to receive NW alerts. As a courtesy to new residents, Mailbox Captains will forward public safety and security information Alerts to residents until they have successfully enrolled in the program themselves. Mailbox Captains will continue to communicate alerts to residents who do not have access to the internet. When going on vacation, let your neighbors know—sign up for Lincoln Police Vacation Home Check by going to NW website/security/safety flyers/LPD Vacation Check Request.

Neighborhood Watch also encourages neighbors to participate in National Night Out (NNO) which is a community and police "safety-awareness-raising" event held throughout the United States. NNO is always observed on the first Tuesday October.
