NEIGHBORHOOD WATCH WELCOMES YOU TO
SUN CITY LINCOLN HILLS

Neighborhood Watch (NW) is one of the oldest and most effective crime prevention programs in the country, bringing citizens together with law enforcement to deter crime and make communities safer. Sun City Lincoln Hills NW volunteers organize to prevent crime in our neighborhoods, through increased awareness and participation in personal safety and security and strengthening neighborhood ties by getting to know our neighbors.

Sun City Lincoln Hills is divided by villages and each village has numbered mailbox stations. Mailbox Captains are assigned to each mail station, a Coordinator is assigned to each village and a Director is assigned to a specific group of villages. Your mailbox captain information is provided below.

Mailbox Captain Name: 
Address: 
Phone: 
Email Address: 

Please note – for those who live in Village 44 (Villas) please contact your Mailbox Captain for additional instructions.

To learn more about our organization, report an incident or sign up for safety alerts, please visit our Neighborhood Watch website at www.SCLHWatch.org or contact your Mailbox Captain.

The homes in Sun City are equipped with emergency only (9-1-1 type) outside blinking lights. You will see two red lights located on the entry door light switch with the word “flash” printed on it. When pushed, the red lights will flash letting you know your outside lights are blinking which allows emergency personnel to quickly locate your home.

Neighborhood Watch promotes the “Vial of Life” program which encourages individuals to have their complete medical information ready in their home for EMS to reference during an emergency. Your Mailbox Captain will provide you with a Vial of Life kit and a Red Cross Decal for your window. NW recommends you complete the form and store it on the top shelf of your refrigerator door.

Cell and landline 9-1-1 calls made within Lincoln city limits will go directly to the Lincoln Police and Fire Departments. Use 916 645-4040 for non-emergency calls.
