

# KNOW BEFORE YOU GO...

## DON'T LET YOUR MEDS TAKE THE WHEEL

**Know the Dangers of DUI  
Even with Medications**

Many prescriptions and over the-counter medications can impair your ability to safely operate a vehicle including common treatments for:

- Pain
- Anxiety
- Sleep Disorders
- Blood Pressure
- Allergies and Colds

Even if it's medication you've taken for years, side effects may increase with age or interact with new prescriptions.

## DRIVING UNDER THE INFLUENCE ISN'T JUST ABOUT ALCOHOL

### YOU CAN GET A DUI ON A GOLF CART

DUI Laws apply to golf carts, NEV's, mobility scooters and other motorized vehicles.

Avoid operating any vehicle if there is any risk of impairment.

### ALCOHOL & MEDS COMBINATION DANGERS...

- Slower reaction times
- Drowsiness or dizziness
- Confusion and poor decision making

### WE'RE HERE TO HELP

The Lincoln Police Department is committed to protecting the community. If you have questions or want to learn more about driving safely with medications, contact us.

**NO MATTER WHAT YOU DRIVE  
STAY SAFE. STAY AWARE. DRIVE RESPONSIBLY**

*"If you feel different, you drive different"*
