Unused or Expired Medications & Sharps

Keep our kids and our water drug-free!

Protect

- ... **our teens** from an epidemic of Rx abuse. Prescriptions and over-the-counter medications are among the most commonly misused drugs by teens.
- ... **our young children** from a leading cause of accidental poisoning.
- ... **our seniors** from misuse and mistakes.

- ... **your home.** People may be looking for drugs in medicine cabinets.
- ... **our environment.** Medications disposed of down the toilet or in the trash end up in our water supplies and damage our environment.
- ... **yourself.** Ask your doctor or dentist for non-opioid alternatives and, if necessary, to clearly explain risks.
